

## Japan Australia Business Council of SA New Year's "Shinnenkai" Event

---

JABC is once again kick-starting the year with its annual Shinnenkai event.

This year we are privileged to have **Mr Duncan MacGillivray** joining us as our guest speaker. Duncan is the Managing Director of **Kangaroo Island Pure Grain** – recipient of the Austrade Export Award 09/10 and the SA Premiers Food Award 09/10. Duncan is also well known as the producer of the world's first alcoholic lemonade, **Two Dogs**.

The Shinnenkai is always a very enjoyable and informative evening. Please join us in welcoming in the new year with fellow JABC members and guests – and be treated to a tale of two ambitious and wildly successful export stories from one of South Australia's business legends.

We look forward to seeing you there!
