

## Australia and the New Japan - A 21st Century Partnership

An informative business seminar on Australia's trading relationship with Japan, the possible implications and benefits of a Free Trade Agreement and practical advice on doing business in one of the world's leading economies

Key note speakers

### Mr Peter Baxter

First Assistant Secretary, North Asia Division  
Department of Foreign Affairs & Trade

*Mr Baxter is responsible for developing Australia's foreign and trade policy with Japan. He has been a key player in achieving Japan's agreement to negotiate a bilateral free trade agreement with Australia and in negotiating the Joint Declaration on Security Cooperation signed by Prime Ministers Shinzo Abe and John Howard in March this year.*

### Mr Michael Clifton

Consul General and Senior Trade Commissioner  
Austrade (Osaka, Japan)

*A specialist in North East Asian trade, Michael held principal positions in Hong Kong and Tokyo prior to taking on his current role as Consul General and Senior Trade Commissioner, Austrade, Osaka in 2005. A well publicised commentator and speaker on Australia's business potential in Japan, Michael is also proficient in Japanese and Mandarin Chinese.*

### Professor Zbigniew Michalewicz

Chairman  
SolveIT Software

*Author of more than 200 publications and 15 books on Adaptive Business Intelligence, internationally renowned new technologies expert, Zbigniew Michalewicz brings over 25 years of industry and academic experience, having led numerous data mining and optimisation projects for major corporations including General Motors, Pernod Ricard Pacific, Bank of America and Dentsu Inc. Japan.*
